Suggestions for Improvement:	
Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher?	Yes
If you answered NO to the question above, please list the knowledge, skills, or attitudes this student must improve to become an effective teacher.	
General Comments:	McKayla is going to be a wonderful teacher. Her passion for students and teaching shows in everything she does. She has taken the time to get to know the students and the standards I'm teaching right now. She used what she knows about the students and the standards to create her lessons. It has been a pleasure having her in my class.
